RE: Scope determination on antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967)

1. On 12/05/2014, in response to a request by Circle Glass Co., Commerce issued a final scope determination that patio door kits without the screen, which Circle Glass Co. imports, are within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).
2. Because Circle Glass Co.'s patio door kits consist of an extruded aluminum door frame, a plastic handle, a steel latch, a strike, rivets, screws, and four steel door roller/corner combination units, but do not contain a screen, they do not qualify for the finished goods kit exclusion, which only applies to kits containing, at the time of importation, all the parts necessary to construct a complete finished good. Because Circle Glass Co.'s patio screen door kits contain extruded aluminum and are insufficiently complete to assemble a finished patio screen door, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of aluminum extrusions from the People's Republic of China, including patio door kits without the screen imported by Circle Glass Co. described above, subject to the antidumping duty order on aluminum extrusions from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by OIII:AM.)
5. There are no restrictions on the release of this information.

Michael B. Walsh
